NOTES FOR REGISTERS

- Register 1P: Horses must be DNA'd from both parents and bloodlines proven to be from Argentina only
- Register 1: Falabella horses without DNA testing and Falabella blend horses with over 75% Falabella bloodlines
- Register 2: Minimum of 25% of pure-bred blood, ie either grandsire or granddam or alternatively either sire or dam must be pure-bred and eligible for IMHPS Register 1

Full descriptions are listed on the website at <http://www.imhps.com/definitions.html>

MEASUREMENTS

- Worldwide: Measure your horse from the base of the last hair of the mane in centimetres. Make sure your horse is standing on level concrete with all feet square.
- European: Measure in inches from the wither to the ground.

DECLARATION

I certify that I have completed the application form to the best of my knowledge and the details I have given are accurate in all respects. I confirm that I have read and understood the instructions and that the markings relate to the animal described on the application form. I also confirm that to the best of my knowledge this animal has not been registered with another society and has not been previously issued with a passport. I understand that my name and address will be printed into the passport at issue. The IMHPS respects the rights to privacy of all its clients and is registered under the Data Protection Act 1998. The IMHPS will need to use the information provided by you for its own internal administration but will not divulge any individual details to a third party without your consent. Under the terms of Article 28E of the Commission Implementing Regulation (EU) 2015/262 the IMHPS is legally required to share the information contained on the application form with the Central Equine Database.

Your full legal responsibilities can be found at: <http://www.imhps.com/legal.html>

Signature Owner / Keeper / Representative of Owner
Delete as applicable

Print Name Date

DESCRIPTION AND WHORLS

NAME OF HORSE:

MICROCHIP NUMBER:

Chip sticker:

IMPORTANT - PLEASE ALSO CHECK VERY CAREFULLY FOR FREEZE / HOT BRANDS – These can be partially hidden so do a good search. If ANY brand is present – state number / details here

The diagram and written description must agree and be sufficiently detailed to ensure the positive identification of the animal in the future. White markings must be shown in RED and the written description completed using BLACK INK in BLOCK CAPITALS or TYPESCRIPT. If there are no white markings, this fact must be stated in the written description. All head and neck whorls should be marked ('X') and described in detail. Other whorls should be similarly recorded. Acquired marks ('V') and other distinguishing marks should always be noted. The Veterinary Surgeon must indicate the location of the microchip on the silhouette with an 'M' symbol.
